

YOUR PERSONAL LINK TO THE DIAMOND BOOK CLUB

The way to promote your business with The Diamond Book Club, is to share your personal link with others by Text, Email, social media, and more.

To find your personal link, Login to The Diamond Book Club.

1. In the menu at the top of the page, click on "Affiliate Member."
2. Scroll down and hover over "Marketing"
3. Click on "Personal Link" and click copy.
4. Then paste this link into a text, email, or post on social media.

When you share your personal link and when someone click's your personal link, they will go to The Diamond Book Club and they will be on your personal website automatically. When they are on the website using your link and they click on "Join Now" and they join The Diamond Book Club, they will be in your business automatically.

When someone joins The Diamond Book Club, using your personal link, you will get a notification that you have a new member in your business.
